

BUDDY OF BLUEGRASS

Become a Buddy of Bluegrass and help us keep the tradition alive.
Please make a pledge of whatever amount you can manage every month.
We will use the money towards making a great festival every year.

Example: NOK 200 per month from 100 people will amount to NOK 240.000 each year,
and would mean that we could bring in BIG international artists to the festival.
Wouldn't you like see your heroes play at you own festival?

Please help us make the best bluegrass festival Norway has ever seen, and make your pledge today.
We will give all pledgers a regular newsletter on how things are going, and what we are planning to use the money for.

Please submit your monthly pledge to account number: 1503.98.70085
