Banks Of The Ohio chords by Johnny Cash

CHORDS

'Banks of The Ohio' (Trad.)
Recorded by Johnny Cash, to be found
on 'American Recordings Unearthed'
originally recorded by Billie and
Charlie Monroe in 1936.
Words sung by Mr Cash somewhat
different from Monroe's.
Anyway, my favourite johnny song.

[Intro]

G

[1st verse:]

I asked my love, to take a walk
Take a walk, just a little ways,
And as we walked, along we talked
Of when would be, our wedding day.

[Chorus]

And only say, that you'll be mine,
In no o thers arms entwined,
Down beside where the waters flow,
Down by the banks of the Ohio.

[Verse]

I asked her if she'd marry me,
And my wife forever be,
She only turned her head away
And had no other words to say.

[Chorus]

And only say, that you'll be mine,
In no o thers arms entwined,
Down beside where the waters flow,
Down by the banks of the Ohio.

[Verse]

I plunged a knife into her breast,
And told her she was going to rest,
She cried 'Oh Willie, don't murder
me,
I'm not prepared for eternity.'

[Verse]

I took her by her golden curls,
And drug her down to the riverside,
And there I pushed her into drown,
And I watched her as she floated
down.

[Chorus]

And only say, that you'll be mine,
In no o thers arms entwined,
Down beside where the waters flow,
Down by the banks of the Ohio.

[Verse]

And going home between twelve and
one,

And cried 'Oh Lord, What have I
done,

I've killed the only girl I love,
Because she would not marry me.

[Chorus]

Tuning: E A D G B E

Capo: 3rd fret

CHORDS

Blue Ridge Cabin Home

Recorded by Lester Flatt and Earl Scruggs

Written by Gladys Stacey and Louise Certain

G C
There's a well beaten path in the old mountainside
D7 G
Where I wandered when I was a lad
C
And I wandered alone to the place I call home
D7 G
In those Blue Ridge hills far away

C
Oh I love those hills of old Virginia
D7 G
From those Blue Ridge hills I did roam
C
When I die won't you bury me on the mountain
D7 G
Far away near my Blue Ridge mountain home

C
Now my thoughts wander back to that ramshackle shack
D7 G
In those Blue Ridge hills far away
C
Where my mother and dad were laid there to rest
D7 G
They are sleeping in peace together there

Repeat #2

C
I return to that old cabin home with the sigh
D7 G
I've been longing for days gone by
C
When I die won't you bury me on that old mountain side
D7 G
Make my resting place upon the hills so high

Repeat #2 x2

[Verse 1]

It's been ten long years since I left my home

In the holler where I was born

Where the cool fall nights make the wood smoke rise

And the fox hunter blows his horn

I fell in love with a girl from the town

I thought that she would be true

I ran away to Charlottesville

And worked in a sawmill or two

[Chorus]

What have they done to the old home place?

Why did they tear it down?

And why did I leave my plow in the field?

And look for a job in the town?

[Interlude]

[Verse 2]

Well, the girl ran off with somebody else
The tariffs took all my pay
And here I stand where the old home stood
Before they took it away

Now the geese fly south and the cold wind blows
As I stand here and hang my head
I've lost my love, I've lost my home
And now I wish that I was dead

[Chorus]

What have they done to the old home place?
Why did they tear it down?
And why did I leave my plow in the field?
And look for a job in the town?
