My latest sun is sinking fast

My race is nearly run

My longest trials now are past

My triumph has begun

Oh come angel band

Come and around me stand

Oh Bear me away on your snow white wings

To my immortal home

Oh bear me away on you snow white wings

To my immortal home

Oh bear my longing heart to him

Who bled and died for me

Whose blood now cleanses from all sin

And gives me victory

Dooley was a good old man

He lived below the mill

Dooley had two daughters and a forty gallon still

One gal watched the boiler the other watched the spout

Mama corked the bottles when old Dooley fetched them

out

Dooley, slipping up the holler

Dooley, trying to make a dollar

Dooley, give me a swaller and I'll pay you back some day

The revenueers came for him a slipping through the woods

Dooley kept behind them all and never lost his goods

Dooley was a trader when into town he'd come

Sugar by the bushel and molasses by the ton

I remember very well the day old Dooley died

The women folk looked sorry and the men stood 'round and  
cried

Now Dooley's on the mountain he lies there all alone

They put a jug beside him and a barrel for a stone

She walks through the corn leading down to the river

Her hair shone like gold in the hot morning sun

She took all the love that a poor boy could give her

And left me to die like a fox on the run

Like a fox, like a fox, like a fox, like a fox, on the run

Everybody knows, the reason for the fall

When woman tempted man down in paradise's hall

This woman tempted me, and took me for a ride

Like the lonely fox, I need a place to hide

We'll pour a glass of wine, to fortify our soul

We'll talk about the world and friends we used to know

I see a string of girls, who'll put me on the floor

The game is nearly over and the hounds are at my door

Helen the night I met you  
It seemed that my heart went your way  
Love was the word that told the story  
I wish you were here with me today

You told me that I need not worry  
That you would always be mine  
Helen my darling please tell me  
A place in your heart I'll always find

Helen my darling I love you  
I love you with all of my heart  
Darling don't ever forsake me  
Say that we never will part

The time we are wastin' my darling  
Is making my heart ache with pain  
But our lives are so far apart dear  
I guess I'm just hoping in vain

Get down boys, go back home

Back to the girl you love

Treat her right, never wrong

How mountain girls can love

Riding the night in the high cold winds

On the trail of the old lonesome pine

Thinking of you, feeling so blue

Wondering why you left me behind

You whispered to me as I held your close

You hoped this night would never end

One tear won't make a heart break

One tear won't make a heart ache

If the tear I shed today is all I'll have to pay

One tear is all I've cried for you.

I thought I'd never live without the tender love we shared

But absence only showed my heart I'll never really care

I'm glad that it's all over now I'm glad that we are through

One tear is all I've cried for you.

I'll live a happy life again and have my dreams come true

My heart will bounce right back again and never think of  
you

Then when you'll come asking me to take you back again

One tear is all I'll cry for you.

When I was a child my family would travel  
Down to Western Kentucky where my parents were born  
And there's a backwards old town that's often remembered  
So many times that my memories are worn.

And daddy won't you take me back to Muhlenberg County  
Down by the Green River where Paradise lay  
Well I'm sorry my son but you're too late in asking  
Mister Peabody's coal train has hauled it away

Well sometimes we'd travel right down the Green River  
To the abandoned old prison down by Adrie Hill  
Where the air smelled like snakes and we'd shoot with our  
pistols  
But empty pop bottles was all we would kill.

Then the coal company came with the world's largest shovel  
And they tortured the timber and stripped all the land  
Well they dug for their coal till the land was forsaken  
Then they wrote it all down as the progress of man.

When I die let my ashes float down the Green River  
Let my soul roll on up to the Rochester dam  
I'll be halfway to Heaven with Paradise waiting  
Just five miles away from wherever I am.

Standing on the corner with the lowdown blues

A great big hole in the bottom of my shoes

Honey let me be your salty dog

Let me be your salty dog

Or I won't be your man at all

Honey let me be your salty dog

Look it here Sal, I know you

Run down stocking and a worn out shoe

Honey let me be your salty dog

Down in the wildwood sitting on a log

Finger on the trigger and an eye on the hog

Honey let me be your salty dog

Pulled the trigger and the gun set go

The shot fell over in Mexico

Honey let me be your salty dog

My Sophronie's from Kentucky, she's found another man  
I can't even kiss her, can't even hold her hand  
The moon we used to love beneath is still up in the sky  
But now I'm just a hotshot with a teardrop in my eye

Love em and leave em, kiss em and grieve em  
That used to be my motto so high  
Till my Sophronie left me so lonely  
Now there's teardrops in my eyes

Till Gabriel blows his bugle, I'll be loving that sweet girl  
She means more to me than the whole wide world  
I used to be a killer with the women me oh my  
But now I'm just a hot shot with a teardrop in my eye

My friend stole my sweetheart from me

It was long, long ago in the moonlight  
We were sitting on the banks of the stream  
When you whispered so sweetly, I love you  
As the waters murmured a tune

Oh they tell me your love is like a flower  
In the springtime blossoms so fair  
In the fall then they wither away dear  
And they tell me that's the way of your love

I remember the night, little darling  
We were talking of days gone by  
When you told me you always would love me  
That for me your love would never die

It was spring when you whispered these words dear  
The flowers were all blooming so fair  
But today as the snow falls around us  
I can see that your love is not there
